Mountain Springs
Nature Retreat

Mountain Springs Nature Retreat is 6.10 km west of the Kaleden highway junction of highway 97 and highway 3A enroute to Keremeos. Proceed west from Kaleden Junction ascending the long S curve three lane hill. Just as you pass the crest of the hill, the road goes to four lanes. You will see the gate to Mountain Springs Farm. **TURN IN HERE. Please close the gate behind you!**

For Marron Valley Birding Tour and Wildlife Drawing Workshop participants should drive all the way down to the house and lake to park.

For Walking Historic Trails Tour proceed to the first bend of the driveway and park here. Do not travel down to the house and lake to park. If you reach a camping trailer you have gone too far!
